

ACCREDITATION

The accreditation will take place at the PalaPrometeo Estra upon arrival to Ancona. The accreditations will only be handed out to the Head of Delegation. All delegations must deliver 2 difficulty element lists for each routine, its flag, the insurance declaration in English writing, passports of all members and FIG Licenses.

In order to organise the accreditation, each National Federation has to send the Nominative Registration directly to UEG in order to confirm the number of participants from the 22nd of June 2017 on (end of Definitive Registration). Afterwards, all the data communicated to UEG will be uploaded on NESEA SportCARE Digital Platform (<http://eurobics2017.sportcare.tech>), technical partner of the event, and each Federation, with its login credentials, will be able to upload anthems, photos and musics (.mp3 format) for each individual, mixed pair, trio and group performance. Deadline for the content uploading process is 11th of September 2017.

Each National Federation will receive an email including all information and instruction about the use of the platform.
